

## COOPERA STRATEGIC PLANNING

Collaborate with experts to develop data driven strategies and tactics to advance your organization on its journey to greater inclusion.

### Strategic Planning Session

During this planning event, the power of data is used to collaboratively craft a 12-month strategic plan uncovering inclusion objectives unique to your organization. A summary of findings is provided after the session reviewing your customized goals, holistic plans and recommends steps that can be used to develop a quarterly action plan for your organization to implement deep inclusion.
